ACTIVITY DESCRIPTIONS

Audit and Management Resolution

This office acts as audit liaison between OSPI and state and federal agencies. It ensures that OSPI complies with state and federal audit requirements, resolves all audit findings, conducts limited scope federal audits of districts that spend less than \$300,000 of federal funds, and provides technical assistance to OSPI and school districts.

Food Distribution for Child Care

The federal government subsidizes the cost of providing meals and snacks in child care centers and home child care services. The OSPI administers this program

School Food Services

School food services are funded by both state and federal funds to provide free or reduced-price school lunches and breakfasts to eligible children. These programs are designed to promote the health and well-being of children by providing nutritious meals to children in public and private schools. Approximately 37 percent, or over 350,000 students, are eligible for free or reduced price meals.
